--------------	------------	---------------------------	-----------------	----------------------------

16:00	D05	PANEL AND WORKSHOP OPEN FORUM IATA ULD REGULATIONS The Case for Best Practices in Ground Operations to Reduce Risk and Cost	01:30:00	Moderator: TBA
--------------	-----	---	-----------------	--------------------------

The ULD Regulations bring opportunity for best practices in ground operations while reducing Risk and Cost. They apply to the entire air cargo industry, of which Ground Handling is a major component. What does this mean to owners and operators and indeed anyone who even comes close to a ULD? What can we now aim for?

Airport Authority	Todd Tripp, GTAA
IATA ISAGO	Monika Mejstrikova
IATA Ground Damage Database	Nancy Rockbrune
IATA Ground Operations	Joseph Suidan
IATA Risk Management	Elaine Liew

Panelists will identify opportunities for genuine change in ULD operations. In subsequent workshop sessions, participants will formulate action plans to minimize risk and reduce cost in ground operations while providing ULD CARE with a direction to make the best use of these changes.
